10 min 20 min 30 min 2/10 11 10 14

For the Thermomix dough :

250g of flour

100g of milk

100g of butter

80g of sugar

20g of fresh yeast

2 eggs

2 apples

1 pinch of salt For the Thermomix crumble :

120g of flour

120g of brown sugar

60g of butter

For the Thermomix dough :

For the dough :

Â»

Peel the apples, cut into quarters, put them in the bowl of the Thermomix and set 5 seconds on speed 5. Set aside in a bowl.

Â»

Put the flour, yeast, sugar, salt, eggs, milk, butter and set 15 seconds on speed 7.

Â»

Add the apples and set 10 seconds on speed 5.

Â»

Put the dough in the muffin pan.

For the crumble :

Â»

Rinse and dry the bowl of Thermomix.

Â»

Place the ingredients for the crumble and set 30 seconds on speed 5.

For the muffins :

Â»

Preheat oven to 180 ° C.

Â»

Crumble this mixture on each muffin.

Â»

Bake 20 minutes (Do not open the oven door during cooking, muffins could not ride).

Â»

Apple crumble muffin with the magimix

At the exit of the oven let cool.
