10 min 25 min 35 min 1/10 9 5 15

500g of zucchini
250g of water
20g of oil
3 tablespoons of heavy cream
1 potato
1/2 onion
1 garlic clove
1 bouillon cube
1 teaspoon of curry

500g of zucchini
<span itempr

Â»

Peel the garlic and onion, put them in the Thermomix bowl and set for 5 seconds at speed 5.

Â»

Add the oil and program for 5 minutes at 70°C on speed 2.

Â»

Add the sliced zucchini, diced potato, curry, and set for 5 minutes at 70°C on speed 1.

Â»

Pour in the water, heavy cream, and set for 15 minutes at 100°C on speed 3.

Â»

When it finishes, set for 2 minutes, gradually increasing the speed up to 10.

Enjoy a delicious homemade zucchini soup. Yum !
